
Engaging High Impact Teams to Solve Problems

Building a High-Performance Business

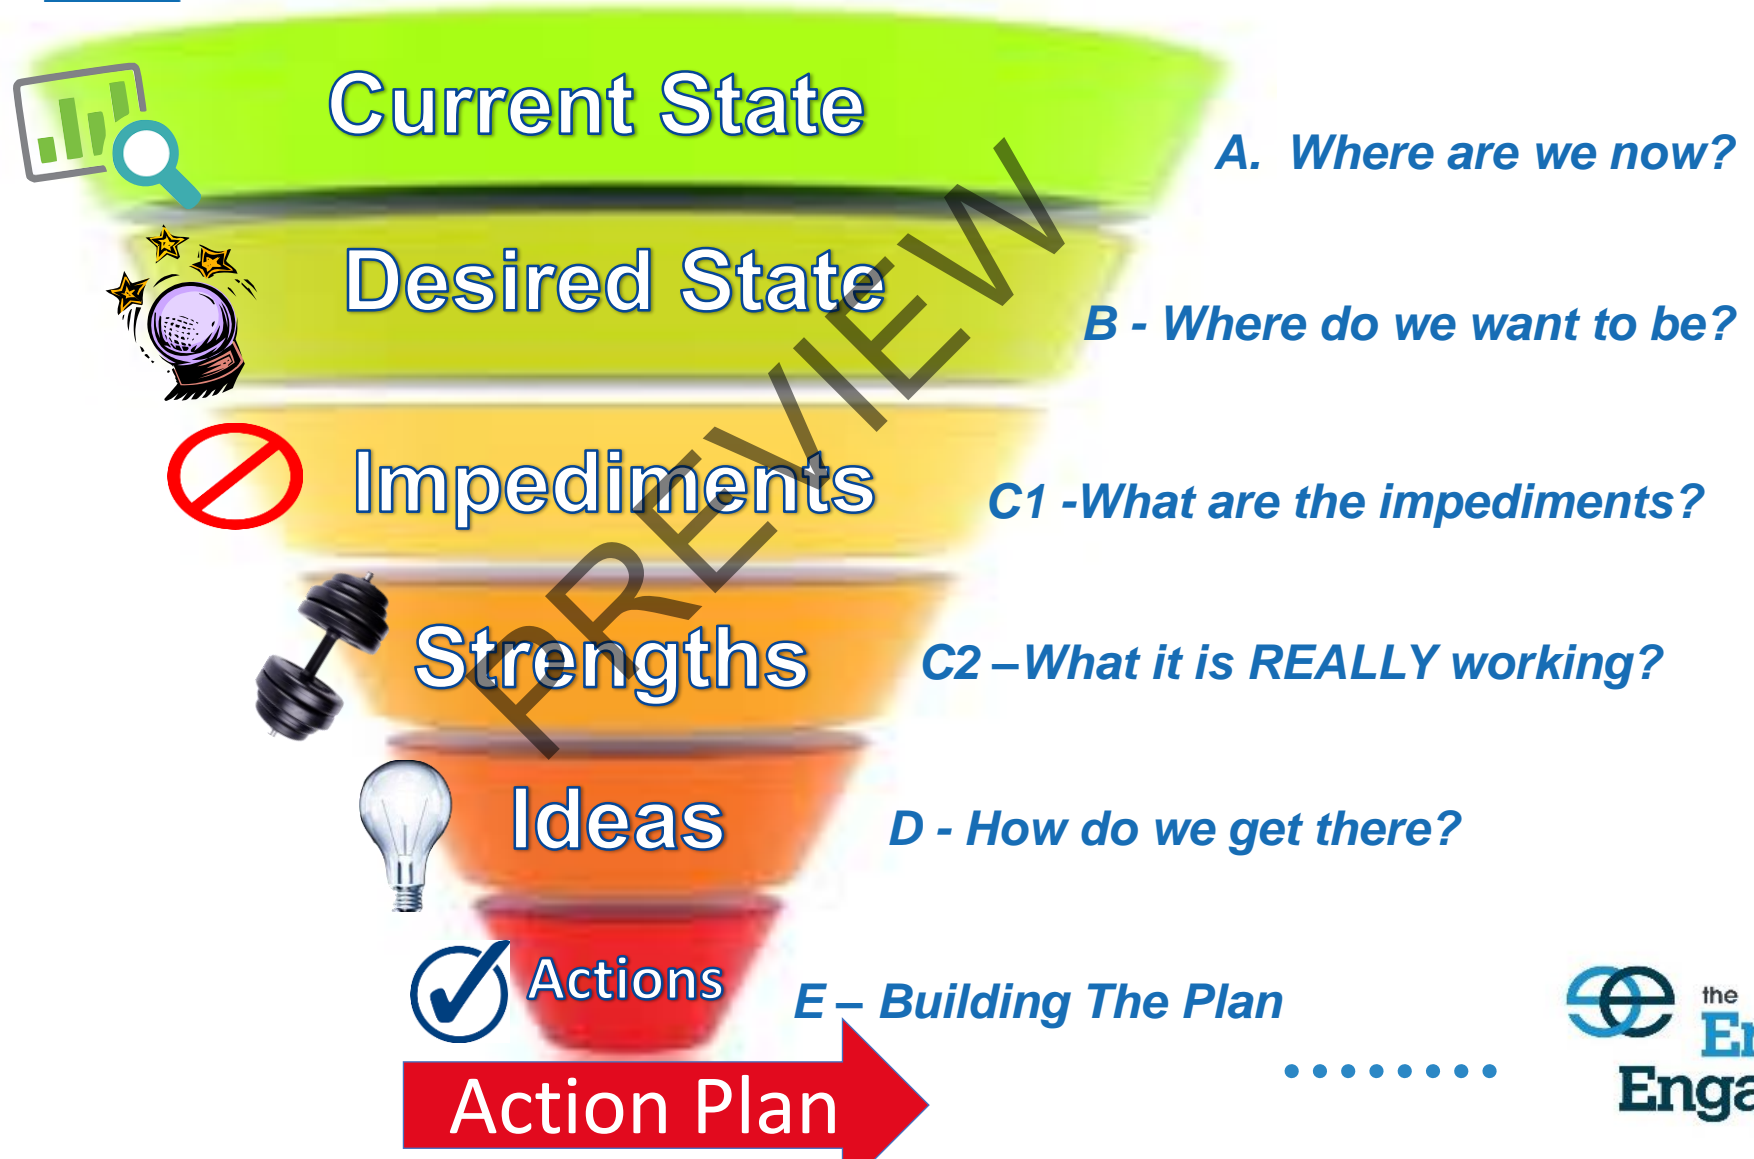

Workshop Objectives

- Build a sustainable high performing organization, business, dept., region,, team, acquisition, etc.
- Identify the current state, desired state, and areas of strengths and developmental areas
- Encourage **Group Think** to produce great ideas – something to ‘nudge’ the business forward
- Discuss & agree on priorities (Idea Evaluator)
- Build an Action Plan for results

The Process

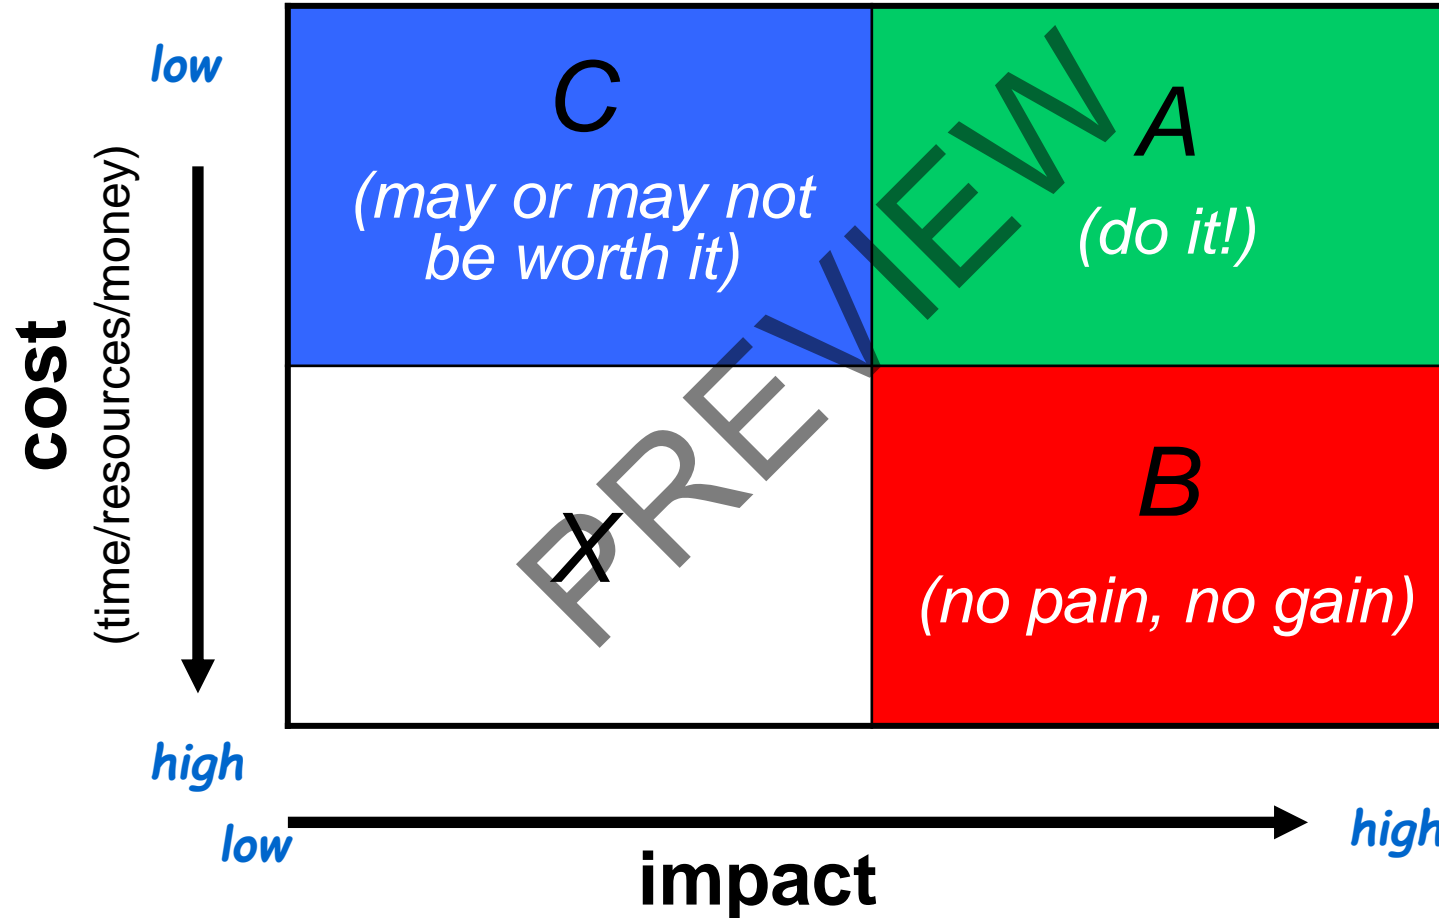

Building the Action Plan

	Topic Area	Specific Action	Date Start	Date to Launch	Responsible Person (s)

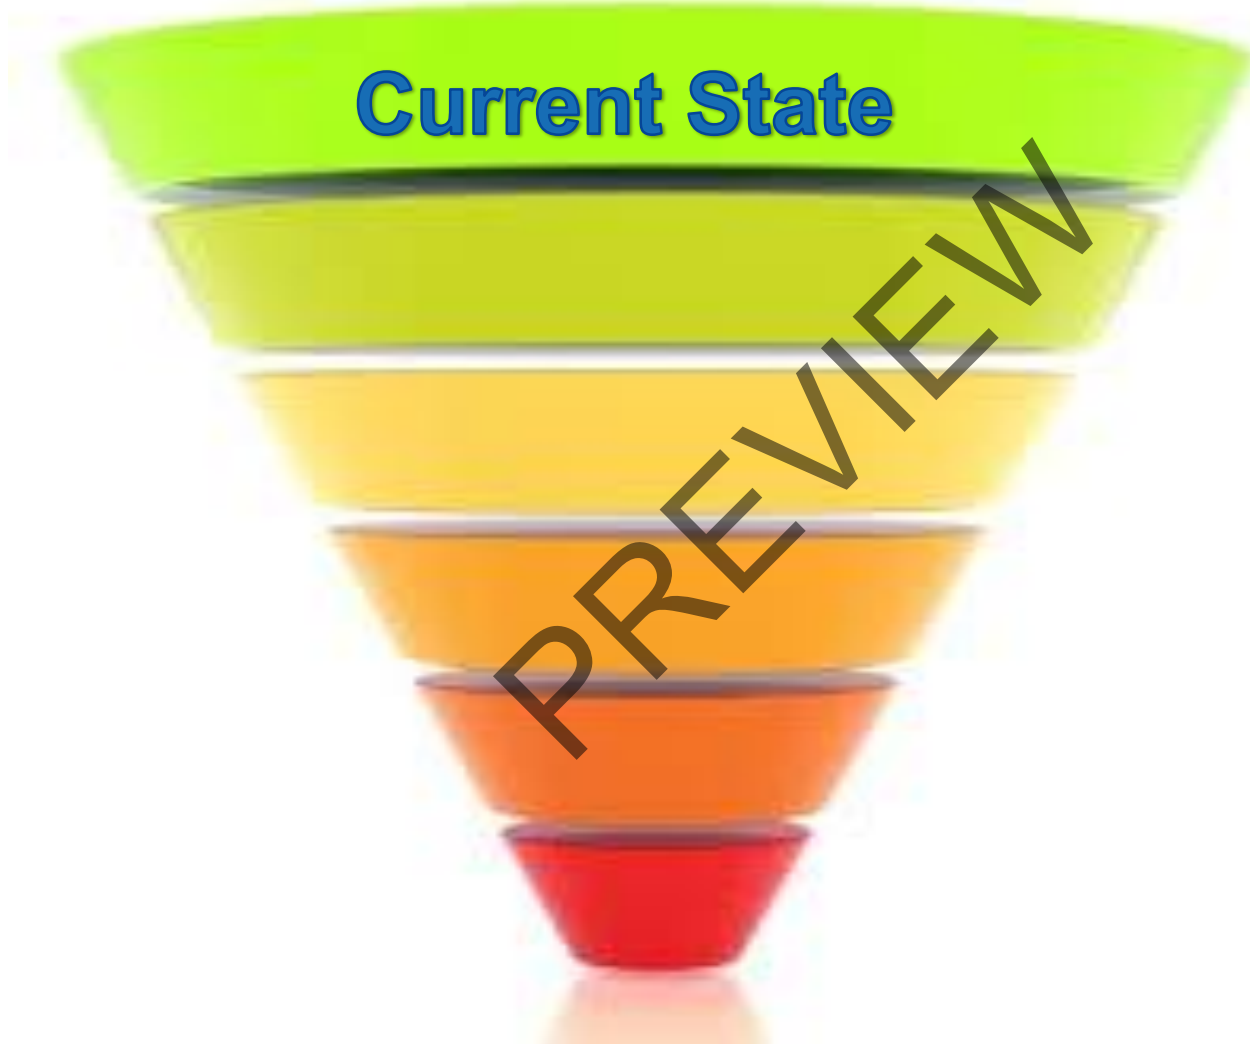

PREVIEW

Idea Priority Matrix

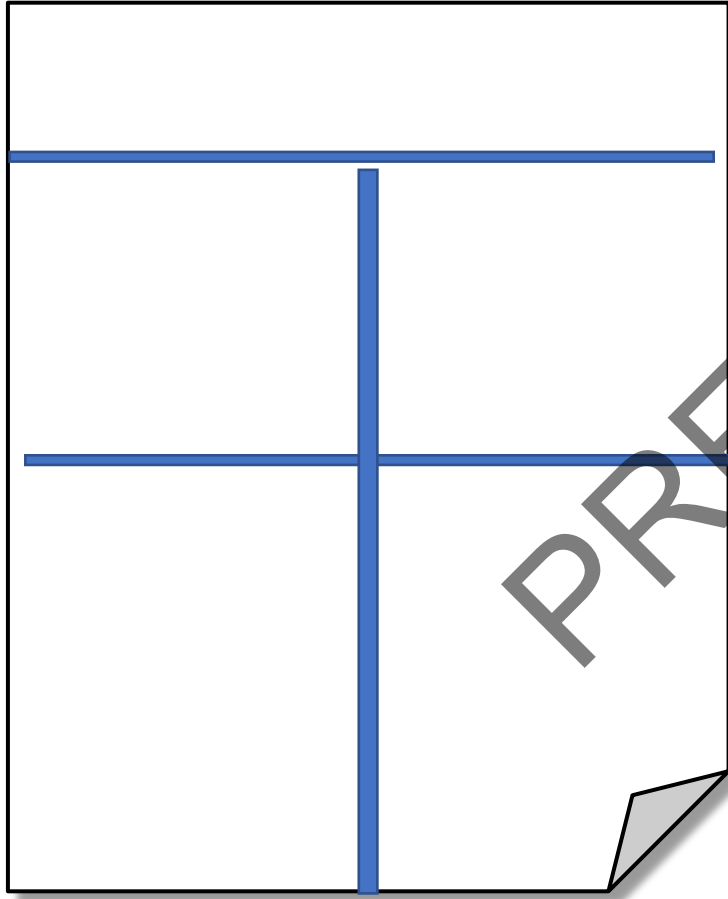

The Current State

Where are we now?

Your Case Study

- Each person will have a sheet of flip chart paper
- Divide your flip chart into 5 areas as shown
- Working with a partner you will:
 - Complete the exercises individually (with your organization in mind)
 - Discuss results with your partner
- Be prepared to report back to the group

Where are we today?

What is your Current State of Engagement?

On your flip chart in the top box, make a list of 5 – 7 statements that describe your current state in top left box
